If an exhibitor occupies an outdoor booth, there is no guarantee of a shady spot. Although weather is most often at its best in May, there is always a chance of rain or wind, so we recommend that exhibitors bring some form of protection from the sun, plastic to cover up displays in case of showers, and secure all property from wind. Sorry, we are unable to refund for bad weather, or for cancellations.

A temporary sales tax license will be issued at no cost at the beginning of the show. The tax rate in Moab for food sales is **8.85%**. Exhibitors are responsible for reporting sales from this show directly to the Utah State Tax Commission.

A **10% commission** on all sales is part of the entry fee at the 2013 Moab Arts Festival. This fee is to be paid at the close of the show.

Pets or overnight camping will **not** be allowed on the premises of the Swanny City Park.

Eligibility

The Moab Arts Festival encourages applications for food concessions from anyone who has a freshly prepared or packaged food product. Only food & beverages may be sold at a food booth, no art or merchandise. Exhibitors not meeting this criteria will be asked to leave the Festival without refund of booth entry fee.

The food court is located outside on the West side of Swanny City Park. Outdoor tables and seating will be provided for show attendees. Each exhibitor must provide his or her mobile display, preparation booth and equipment, and must attend to the unit. Exhibitors also must have adequate internal cooking and/or cooling equipment as needed to maintain your product in a safe and healthy fashion. All equipment must meet or exceed NSF specifications. No one will be allowed to exhibit fresh food from a site constructed, non-electrical booth.

- Each booth should display an identifying sign.
- Exhibitors are responsible for setting up their own equipment (mobile unit, awning, table & chairs, etc.) and keeping their booth space clean.
- Booth set-up time is from 7 a.m. to 10 a.m. both mornings, although booths may be set up (at the vendor's risk) on Friday night after 5 p.m. Booths may remain overnight Saturday.
- Tear down is 6:00 p.m. Sunday. NO EARLIER. NO EXCEPTIONS.
- Moab Arts Festival is not responsible for damage, theft, loss of food product or display facilities.
- Assignment of booths will be at the Moab Arts Festival discretion.
- NO PETS ARE ALLOWED ON THE PREMISES OF THE SWANNY CITY PARK.

We cannot guarantee a shady spot. Although weather is most often at its best in May, there is always a chance of rain or wind, so we recommend that exhibitors bring some form of protection from the sun, plastic to cover displays in case of showers, and secure all property from wind. Many exhibitors use heavy weights such as sand bags to secure their tent. Sorry, we are unable to refund for bad weather, or for cancellations.

All food booths will be required to conform to all appropriate state and local regulations. All personnel working in food booths are required to have current foodhandler permits. You will be required to purchase a Utah Health Department permit prior to selling any product. Submit photographs of your equipment and/or booth with application.
