Kids Korner Sponsorship

The Moab Arts Festival is once again looking to the community to help create another wonderful event geared directly at our local youth. Kids Korner features two solid fun filled days of pure kid and kid at heart art and activities. Once again, we are blessed to have BEACON Afterschool Program team up with Moab Arts Festival to gather an assembly of eager kid loving adults to host the kids events. From Tie-Dyes to Magic shows, Spin Art to Kid Row; where our kids get an opportunity to sell their homemade art! All this being said, in order to pull this off FREE of charge for all our kiddo's, is by having fantastic, generous, kid loving, financial sponsors like you.

Thank you for your time and consideration, you may be helping to raise the next Rembrandt.
